And that's when I knew the honeymoon was over.

I'm getting pretty good with my forearm.

Nah! Nah! Nah!

Could you kids help me with the answer to this problem?

I'll just go slip into something more comfortable.

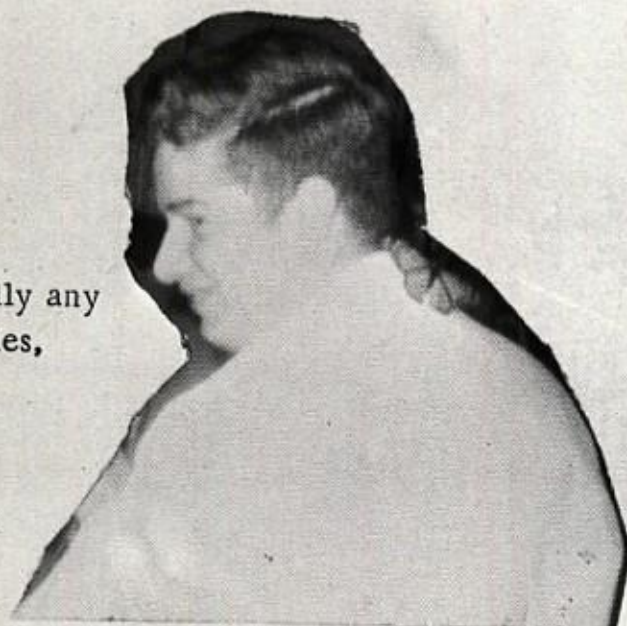

Carol, put that gun down!

What do you mean you don't like my coffee?

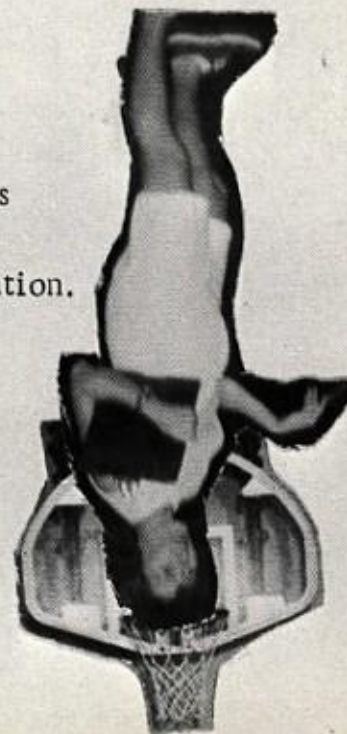

Who said I can't go to my locker during noon hour?

There aren't really any vampire butterflies, are there?

This takes skill and co-ordination.

Carole, you and Ron will be happy as soon as you move out of this tiny room.

What did you say you got in typing, Tom?

Stax are for eating.

My popovers popped.

What's cooking?

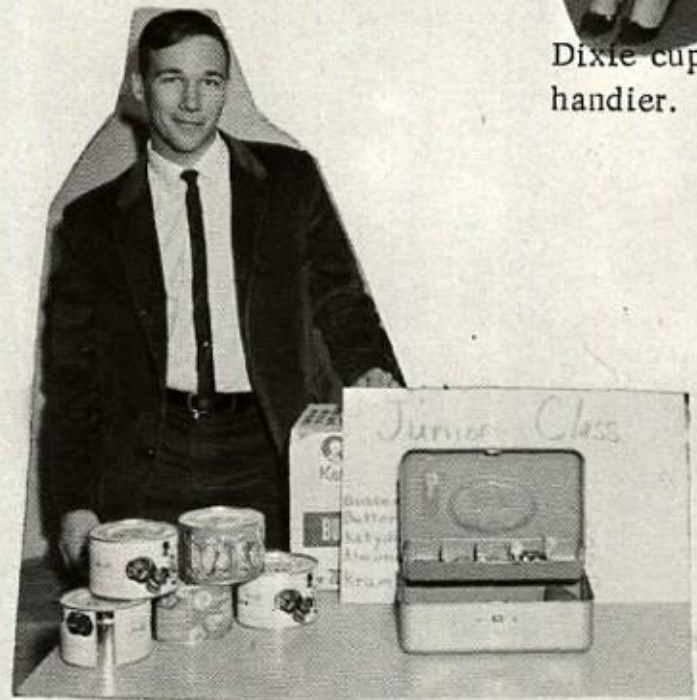

Here Kitty, Kitty, Kitty!

Dixie cups are handier.

Laugh, that was the punchline!

The Draft Board! Bah! Humbug!

We might as well smoke, we've done everything else.

March with Mucc.

What's up Doc?

Dean,

you're about the nicest kid I have ever dated except Bucky (naturally!). Don't forget the time <sup>we</sup> tried to make Pizza! you're a pretty good cook for a boy. I'll never forget the time we just about fell out of David's pick-up truck and that is also the night we went walking down that lane. Remember? I'm sure I glad you was there or that cow ~~would~~ have scared me more. I've had so much fun with you that I won't ever forget them.

Well, I guess I'll see you next year, and I'll be depending on you a lot because I don't know any of the kids up there. This summer when Vickie stays with me we'll come over and see you.

It has really been grate knowing you and I hope I'll still be your friend next year.

A Friend,
